

**SPECIAL OFFER. ENDS JULY 14, 2008.**

# ***USB BACKUP SPECIAL***

**7 x 1GB sticks - \$125.00** Inc. GST.

***SAVE \$120.00.***

**USB is the fast way to backup. Easy too. Safe. No special drives needed. These sticks plug into your USB port and they self-install.**

- Fast USB 2.0 technology – copies up to 9MB per second. *Much faster than Zip.*
- Kingston, a quality brand.
- 1GB capacity.
- 5 year manufacturer warranty.
- Meets all required technology standards.
- Protective cap, Key ring attachment, Solid construction.
- Very easy to use.
- Does NOT work with Windows 95 or Windows 98.
- Price includes Express Post shipping.

More and more newsagents are switching to USB technology for backups. We recommend seven – one for each day. Daily backup is crucial to protecting the interests of your business.
